

52nd Annual Meeting of the Italian Cancer Society

Lost in translation: *bridging the gap between cancer research and effective therapies*

Rome, 4 - 7 October 2010

SIC Scientific Board

President

Adriana Albini (Milan)

President Elect

Alfredo Fusco (Naples)

Board

Alberto Amadori (Padua)

Alfredo Budillon (Naples)

Mario Paolo Colombo (Milan)

Donatella Del Bufalo (Rome)

Silvia Giordano (Turin)

Paolo Macor (Trieste)

Roberta Maestro (Aviano - PN)

Angelo Paradiso (Bari)

Aldo Scarpa (Verona)

Past President

Raffaella Giavazzi (Milan)

Scientific Coordinators

Donatella Del Bufalo (IRE - Rome)

Michele Milella (IRE - Rome)

Local Scientific Committee

Anna Bagnato (IRE)

Annamaria Biroccio (IRE)

Stefania D'Atri (IDI)

Ruggero De Maria (ISS)

Rita Falcioni (IRE)

Marcella Mottolese (IRE)

Giovanbattista Pani ("Cattolica" University)

Angela Santoni ("La Sapienza" University)

Agostino Tafuri ("La Sapienza" University)

Giuseppe Tonini ("Campus Biomedico" University)

Organizing Secretariat

AIM Group

Rome Office: via Flaminia, 1068 - 00189 Rome

ph. +39 06 330531 - fax +39 06 33053229

SIC Secretariat

Società Italiana di Cancerologia

Via G. Venezian, 1 - 20133 Milan

ph. +39 02 2666895 - fax +39 02 2664342

sic@istitutotumori.mi.it - www.cancerologia.it

TOPICS

- Autophagy, apoptosis and senescence
- Cancer modeling and imaging
- Cancer stem cells
- Genetic and epigenetic alterations
- Infectious agents and cancer
- Innovative therapeutic approaches: highlights from the pharma industry
- Molecular epidemiology and chemoprevention
- Molecular markers of diagnosis, prognosis and response to therapy
- Molecular mechanisms of tumor progression and metastasis
- Signalling pathways, cell metabolism and cell cycle
- System biology and emerging technologies
- Tumor immunology and immunotherapy
- Tumor microenvironment: inflammation, hypoxia and angiogenesis

Award ceremony

Joint meetings with other scientific societies

SIC Young Investigator's Session
